Social Change

April 23, 2010 – June 4, 2010

*Towson ARTS Collective provides a venue for artists
while being an art education center.
We seek to promote the growth of
greater Towson's art community by combining the knowledge
and energy of its residents and students with working professionals.*

Do you create artwork that promotes social change? Is your artwork made with recycled goods?
Do you create artwork that addresses a social issue for which you feel strongly?
Does your work encourage community activism? Protest? Advocacy?
Does your artwork elicit a metaphysical response in your audience?
If you want to join a chorus of creative conversations about these issues,
come be part of TAC's Social Change Exhibit.
Imagery may be created in any mode or media.
